

TRANSITIONS

Transitions offers guidance, support, community resources, and services for people living with serious illnesses and their caregivers.

Transitions can help you/your loved one who:

- Needs help finding services to maintain independence
- Is pursuing treatment
- Has increased care needs
- Needs help planning for long term care
- Feels isolated or lonely
- Has a caregiver in need of support
- Wants education about caregivers vs. Home Health vs. Hospice care

Transitions Offers:

- Goals-of-Care discussions
- Long term care planning
- Health Care Powers of Attorney
- Dementia resources
- Coordination with healthcare providers
- Emotional support
- Referrals to resources
- Homebound meal options
- Caregiver support
- Companionship visits
